FROM THE PASTOR'S DESK

Each January the Church marks an important event with a March for Life at the state capitol in Olympia. This year's march is on January 21st at noon. This is the 36th annual march, marking the decriminalization of abortion in the landmark 1973 Supreme Court decision of Roe vs. Wade. Each elected state official is invited to attend and pro-life legislators will speak to the crowd. This is an opportunity to come together to advocate for the most vulnerable in our society. As we approach this day may we all pray for a productive conversation about ways to protect children, support women, and build a society with a true respect for life. New this year are guides who will be available following the rally to help attendees find senators and representatives so that you can speak with them face to face. For more information visit

Peace in this New Year,

ST. JAMES FAMILY KITCHEN

Continuing Gratitude from St. James Family Kitchen for the many years of collecting food cartons for them.

The clients appreciate the opportunity to take any leftovers when the meal is over. However, much of the food is too liquid to carry in containers without "snap-on" lids. "Size" is also a priority for the client—8 oz to 24 oz only. Thank you for your diligence.

FEAST OF THE PRESENTATION OF THE LORD - Weekend of FEBRUARY 1 & 2

Since the fourth century, the church has celebrated "The Presentation of the Lord" when, in accordance with Jewish Law, Joseph and Mary presented their firstborn male son to the Temple Priest 40 days following his birth.

During the 11th Century, the church began the custom of blessing candles prior to the entrance procession culminating in a candle lit procession into a darkened sanctuary while joyously singing the Canticle of Simeon.

It is also customary in the Catholic Church to bless infants and their mothers for the Feast of the Presentation.

Our Lady of Fatima Parish will be Celebrating the Feast of the Presentation at all Masses the weekend of February 1 & 2 and all are encouraged to attend!

PROPERs - SECOND SUNDAY OF ORDINARY TIME

PRESCRIBED ANTIPHONS

The "Propers" are assigned Antiphons from the Roman Missal which are to accompany each of the three processions which occur during Mass: the Entrance Procession (Introit), the Presentation of the Gifts Procession (Offertory Proper) and the Communion Procession ("Communio"). The texts are taken directly from sacred scripture; most often from the Book of Psalms. Like the Readings, these Antiphons are assigned to each Liturgical Celebration.

INTROIT: OMNIS TERRA ADORET TE

Let all the earth praise You, O God!

OFFERTORY PROPER JUBILATE DEO, UNIVERSA TERRA

O be joyful in God all ye lands!

"COMMUNIO": LAETAMIBUR...

We shall rejoice in Your Salvation.

ENTRANCE ANTIPHON (INTROIT)

Recently, one of Organ Catholic Press's most notable contemporary music composer/arrangers, Ken Canedo, (spiritandsong.com) recommended that the Catholic Church's sing the prescribed Entrance Antiphon from the Roman Missal and/or the Graduale Romanum during the entrance procession of Mass rather than substituting a Hymn or song as has become common practice (citing the General Instruction for the Roman Missal):

"Since the 1960's, many if not most English speaking assemblies have been doing [the] fourth option almost exclusively. It's time for us to realize that there are other options in the New Roman Missal, including...[singing] the prescribed Entrance Antiphon. But during the time of transition, pastorally speaking, our choirs and assemblies need to be educated more in liturgical principles. Also, contemporary composers need to compose more settings for the prescribed Entrance and Communion Antiphons."

NEW MASS SETTING Our Lady of Fatima Parish will be introducing a beautiful new Mass Setting this weekend. The Mass setting is arranged by Dominican Priest, the Reverend Michael O'Connor, and is based upon a setting of the "GLORIA" by famous composer Richard Proulx. MP3 files of the Mass Setting will be posted to the Music Website soon if you would like to listen or learn the Mass Setting at home.

WOMEN'S CHOIR Our Lady of Fatima Parish is in need of more singers for our Women's Choir which sings weekly at the 5:00PM Mass on Saturdays. Commitment is flexible and all are welcome regardless of experience. Please contact our director at mloucks@olfatima.org or 206-352-4587.

CHILDREN'S CHOIR Our Lady of Fatima Children's Choir welcomes all students grades 2-8 to join our choir for the second term. Rehearsals are Wednesday afternoons after school from 2:15PM to 3:10PM. Please contact our director for a Registrations Form and Schedule at mloucks@olfatima.org or 206-352-4587.

50th ANNIVERSARY OF VATICAN II

The Mass of Vatican II (abridged)

Fr. Joseph Fessio, S.J. President of Ignatious Press

The Constitution on the Sacred Liturgy (*Sacrosanctum Concilium*), was issued by the Second Vatican Council in 1963. It is one of the most important documents of the Council, one that has been the least understood and, I believe, has wrought the most havoc - not by having been fulfilled - but by having been ignored or misinterpreted.

The Council actually spells out its intent, in paragraph 14: "Mother Church earnestly desires that all the faithful should be led to that full, conscious, and active participation in liturgical celebrations, which is demanded by the very nature of the liturgy." The key words here are "full, conscious, and active participation." The Latin for "active participation" is *actuosa participatio*.

I researched previous uses of that expression in papal and ecclesial documents the first usage was in 1903 by Pope St. Pius X, who considered himself a pope of renewal. He issued one of the first documents of his pontificate called *Tra Le Sollicitudini*, that is, "Among the Concerns" concerning the renewal of sacred music. In it, the Holy Father states, "In order that the faithful may more actively participate in the sacred liturgy, let them be once again made to sing Gregorian Chant as a congregation."

That's what the term "active participation" meant when first used in a papal document. The first use of *actuosa participatio*, i.e., active participation, referred explicitly and exclusively to the restoration of the congregational singing of Gregorian Chant. In 1928, Pope Pius XI reiterated the point in his Apostolic Letter, *Divini Cultus*. Nineteen years after that, in the *Magna Carta* of liturgical reform, *Mediator Dei*, issued by Pius XII, the same term was used with the same meaning. So until the Second Vatican Council, the term "active participation" referred exclusively to the singing of Gregorian Chant by the people. (The article in its entirety will be posted on the Music Web Page).
